PERSONAL DATA PROCESSING INFORMATION FORM

The personal information (personal data – sensitive and not, e.g. identification data, contact details, information necessary for the issuance of tax receipts, health data and medical history) that are being declared are accurate and are being transmitted to the Medical company under the name “GENEKOR PRIVATE DIAGNOSTIC LABORATORY MEDICAL SOCIÉTÉ ANONYME” and the distinctive title “GENEKOR M.S.A” for the purpose of the company to provide me with the medical services I have requested as well as to keep my medical file pursuant to medical legislation.

I have been informed that the data controller for my personal data is the Medical Company under the name “GENEKOR PRIVATE DIAGNOSTIC LABORATORY MEDICAL SOCIÉTÉ ANONYME” and the distinctive title “GENEKOR M.S.A” , which has its registered seat in Gerakas, Pallini, Attica, (52 Spaton Ave.), telephone: +30 210 6032 138, fax: +30 210 6032 148 and email: info@genekor.com

I have also been informed that my personal data shall not be used for any other purpose or transferred to any third party within or outside the European Union, apart from the cases where the transfer of my personal data and my biological material to collaborating laboratories is deemed necessary for the completion of my tests or to the competent tax authorities or social security organizations or the tests results will be disclosed to the individuals I have indicated by giving to the Medical Company explicit authorization which I can revoke at any time. If I authorize the Company to disclose my personal data to a third-party (e.g. my referring physician, family doctor etc) then I have been informed that the Company is solely responsible for the lawful transfer of my data to these third-parties and that the further processing activities of these third-parties is outside of its sphere of control and responsibility. I was also informed that in case of sending or transferring a sample to and from the Medical Company using a courier company, the Medical Company does not bear any responsibility for anything that happens during the transfer for which the courier company is solely responsible.

Specifically, for the OncotypeDX, Breast Recurrence Score[®] test or any other test performed by Genomic Health I was informed that both my biological material and my personal data will be transferred to the United States of America and specifically to the laboratory of the Company Genomic Health Inc.

I was informed that the results of my medical tests and my medical file in general is securely kept by the aforementioned Medical Company pursuant to the Medical and Personal Data legislation, pursuant to which the medical archive must be kept for a period of ten (10) years from the patient’s last visit to the private medical company. I was informed that, in the event where my genetic material (DNA/RNA) has not been fully consumed for the needs of the analyses, the remaining material shall be kept for a period of three (3) year from the date of isolation and then it will be destroyed.

I was also informed that the Medical Company, in the context of the continuous improvement of its medical services, may anonymize a copy of my personal data in order to use it for statistical and medical research purposes and development. Anonymity makes it impossible to identify the person with whom the personal data is related. My anonymized data will not be used for any other purpose and will not contain identifiable information.

I was informed that I may request in writing, at any time, information about my personal data from the aforementioned Medical Company (right of access) as well as to request rectification, alteration, erasure and restriction of the processing. I also understand that I have the right to object to the processing and the right to data portability according to the Law. Furthermore, I understand that I have the right to withdraw my consent at any time and that the lawfulness of the processing based on such consent before its withdrawal shall not be affected. Finally, I know that I have the right to lodge a complaint in the event where I consider that the Data Protection Law is not complied with in relation to my data to the competent Hellenic Data Protection Authority (1-3, Kifisias avenue, 115 23, Athens, tel: 2106475600, website for complaints www.dpa.gr) . Finally, that I can exercise my aforementioned rights to the extent that no such right is contrary to the obligation of the aforementioned company to keep my medical file as required by Law.

More information, supplementary to the present Form, regarding the processing of the personal data by the Medical Company are available at any time in the General Privacy Policy of the Company in the website www.genekor.com
